HEARING EXAMINER'S RULING

September 5, 2001

On August 29, 2001, the Commission Staff, by counsel, filed a Motion for Leave to File Supplemental Testimony. In support of the Motion, the Staff states that Protestant Regency Homeowners Association, Inc. filed on August 22, 2001, the testimony and exhibits of William Michael Lewis. Mr. Lewis's testimony, in part, addresses the technology, design, and costs of underground construction of a Greenway transmission line. The Staff requires additional time to consider the information presented by Mr. Lewis, and requests leave to file supplemental testimony and exhibits addressing underground construction by September 17, 2001. Staff further notes that, as directed by Ruling dated June 12, 2001, the Staff filed its testimony and exhibits addressing the application and other issues raised in protestants' protests and testimony, on August 31, 2001. Finally, Staff counsel states that Virginia Electric and Power Company does not oppose the Motion.

On August 30, 2001, the Islamic Saudi Academy, Inc. ("Islamic Academy"), by counsel, filed a Motion to Amend Direct Testimony of Anthony Nozzoli and Amended Direct Testimony of Anthony Nozzoli. In support of the Motion, the Islamic Academy states that it filed its protest and prepared testimony and exhibits on August 21, 2001; however, certain answers in Mr. Nozzoli's testimony need to be corrected. The Islamic Academy requests that the Amended Testimony be accepted for filing.

Good cause having been shown, I find the Staff Motion for Leave to File Supplemental Testimony and the Islamic Academy's Motion for Leave to File Supplemental Testimony should be, and are hereby, granted. Accordingly,

IT IS DIRECTED:

(1) That, on or before September 17, 2001, the Commission's Staff shall file supplemental testimony and exhibits addressing underground construction of a Greenway transmission line; and

(2) That the Amended Direct Testimony of Anthony Nozzoli on behalf of the Islamic Saudi Academy, Inc. is hereby accepted for filing.
